

Information for 7-735 Electrical Work (Act 725 Restricted)

REQUEST FOR GRANDFATHERING

Under Act 725 of the 2008 Louisiana Legislative Session

REQUEST FOR GRANDFATHERING

Under Act 725 of the 2008 Louisiana Legislative Session

Note: You **MUST** submit a Commercial Contractor's Application with this form if you do not already have a commercial state contractor's license!

Your Name (Please Print): _____

Your Signature: _____ Date: ____/____/____

Company Name (Please Print): _____

I am requesting the classification(s) checked below:

7-725: Mechanical Work (Act 725 – Restricted) _____ *Parish(es) requested:* _____

7-735: Electrical Work (Act 725 – Restricted) _____ *Parish(es) requested:* _____

IMPORTANT: There must have been at least one project for each parish requested. **No applicant may be exempted from the required examinations for more than three parishes.** *At least one project*, for which sufficient proof is provided, must have been in the amount of **\$10,000** or more. Proof of plumbing work, including a plumbing license or permit, will be insufficient to exempt an applicant from the examination required for a mechanical contractor's license.

You must submit with this form the following documentation from either box 1 or box 2 below as required under the Louisiana Administrative Code, Title 46, Part XXIX, Section 509.C. :

1. five original building permits, issued within the last three years prior to July 1, 2008, proving that you have actually been engaged in either the mechanical or electrical construction building industry, accordingly.

If the permit does not specify the entity or person performing the mechanical or electrical work, then additional documentation will be required to verify that the applicant actually performed the mechanical or electrical work under the permit, including but not limited to a job proposal, contract, invoice or receipts, a signed punch list, certification of completion by the owner, and proof of payment by the owner or general contractor.

2. proof that you completed six mechanical or electrical construction projects within the ten-year period prior to July 1, 2008, or that you constructed one such project for another person within the five-year period prior to July 1, 2008.

Evidence for each job shall include, but not be limited to, a combination of at least three of the following:

- a.** a job proposal, contract, invoice or receipts, a signed punch list, certification of completion by the owner, proof of payment by the owner or general contractor, permit applications; and
- b.** evidence that the applicant operated as a business at the time of each job, including but not limited to, copies of such items as tax documents showing business income from such work, a local occupational license, a local mechanical license, receipts from material supply dealers showing that the applicant purchased sufficient materials for the work performed, state and/or federal tax identification numbers, certificates of good standing from the Secretary of State, and similar business documentation.
