Louisiana Contractor Licensing Report

The Louisiana State Licensing Board for Contractors (LSLBC) is responsible for the enforcement and regulations of the contractor licensing laws of this State to protect the general public and the integrity of the construction industry. This agency makes every effort to streamline for efficiencies in order to help contractors with the licensing process. Online renewals and computer based testing of examinations for licensure are provided as a convenience and cost savings for the construction industry.

Statistical reports for active licenses during the 2012-2014 period, demonstrate that the economic incline for the construction industry in Louisiana is on the rise.

Year	Commercial/ Industrial	Residential Builders	Home Improvement	Mold Remediation	Total
2012	17,199	2,894	1,238	163	21,414
2013	17,698	2,930	1,258	161	22,047
2014	19,219	3,294	1,551	189	24,208

The licenses defined by law R.S. 37:2156.2 as major categories are: Building Construction; Highway, Street and Bridge; Heavy Construction; Municipal and Public Works; Electrical Work; Mechanical Work; Hazardous Materials; Plumbing; and Specialty Classifications.

Please contact this office if we can be of assistance with the licensing, compliance or enforcement of Louisiana contractor licensing laws.
