## BULLETIN:14-10

October 15, 2014

### *LSLBC contractor licensing verification*

The Louisiana State Licensing Board for Contractors will be launching its new website the week of October 20, 2014. A continued focus of this website is to provide a real-time search function for licensed commercial, residential, home improvement, and mold remediation contractors. Contractors and homeowners alike can utilize this tool by going to [www.lslbc.louisiana.gov](http://www.lslbc.louisiana.gov) or [www.lacontractor.org](http://www.lacontractor.org) and clicking on Contractor Search. From here, a user can choose a variety of ways to search the contractor database:

- Contractor Name
- License Number
- City/Town of Contractor
- Parish of Contractor, or out-of-state contractor
- Type of Contractor
- Qualifying Party

Also prominent on the new website is information about the LSLBC Mobile App, LaContractor. This App can be downloaded free for Apple and Android users to verify a license in real-time or file a complaint. To file a complaint, simply fill out the form and click submit. We have also included the option of adding a picture to the complaint.

Both the new website and mobile app are designed to increase awareness and allow for citizens to verify licensure freely and quickly, and to help prevent unlicensed activities.
