### LANDSCAPING, GRADING, AND BEAUTIFICATION STUDY SHEET

The examination for 7-32 Landscaping, Grading, and Beautification is a 50 question, multiple choice test which is closed book. Below is a sample of the many good books available on the subject. These or similar references may be useful in studying for the examination. However, they may not contain all of the information needed to pass this exam or to be competent in this trade. If these or similar references are not stocked in your local library, your local librarian may be able to aid you through the services of Inter-Library Loan. These or similar references may possibly also be available by ordering through your local bookstore. You may also want to consult with your local Cooperative Extension Service (i.e., County Agent's office) to see what materials they may have available for your use.
