

**STATE OF LOUISIANA**  
**LICENSING BOARD FOR CONTRACTORS**  
**Baton Rouge, Louisiana**

*Study Reference Sheet for*  
**PAINTING AND COATING**  
**(Commercial & Industrial)**

The examination for 7-48: Painting and Coating (Commercial and Industrial) is a 50 question, multiple-choice, CLOSED BOOK examination covering all aspects of painting and coating relating to construction. The following books might be consulted in preparing for the examination. They do **NOT** necessarily contain all the information needed to be competent in this trade or to pass the examination. They are also *not* required reading in order to pass the examination. These are only a sample of the many good books which may be available on the market containing useful information.

**Painting and Decorating: Skills and Techniques for Success**; Blankenbaker, E. Keith; The Goodheart-Willcox Company, Inc.; Tinley Park, IL.

**Good Painting Practice**, Steel Structures Painting Manual, Volume 1; Steel Structures Painting Council; Pittsburgh, PA.

**Painting and Decorating Craftsman's Manual and Textbook**; Painting and Decorating Contractors of America; Fairfax, VA.
