

**State of Louisiana  
Licensing Board for Contractors  
Baton Rouge, LA**

**Study Reference Sheet for:  
Permanent or Paved Highways and Streets (Concrete)**

The examination for Permanent or Paved Highways and Streets (Concrete) is a 20 question multiple-choice examination covering the construction of concrete highways and streets. Although the examination is based on general knowledge of this area, the following books may be helpful for the purpose of examination preparation.

**Concrete Construction and Estimating**; Avery, Craig; Craftsman Book Company; Carlsbad, CA.

**Standard Specifications for Roads and Bridges**, Section VI; Louisiana Department of Transportation and Development; Baton Rouge, Louisiana; 2000.
