LSLBC Online Contractor Portal

The Louisiana State Licensing Board for Contractors (LSLBC) now has an interactive online portal which simplifies contractors' access to their licensing information. All correspondence from this Board, including renewal notices, is now being sent by email to the email address currently on file with LSLBC. The portal is for contractors who are applying for or who actively hold a license/registration with LSLBC. Contractors will be able to do the following:

- Check application status
- Check licensure status (if currently licensed/registered)
- Update contact information such as address, email, website, phone number and fax number
- Print copy(ies) of license or registration (if currently licensed/registered)
- Renew online

Applicants for licensure will be sent the online contractor portal information by email, which will include the link to the portal, the login and password. For contractors who hold an active license or registration, the online contractor portal information and login/password will be provided on the renewal notice. Renewal notices are emailed 60 days prior to license expiration. For those who would like to obtain the portal information prior to renewal, please submit a request in writing to info@lslbc.louisiana.gov.

Please make sure your email address is up-to-date with this board by going to our Contractor Search on our website, www.lacontractor.org, and verifying your company's email address under your license/registration information (if currently licensed/registered).

If you have any questions regarding this matter please feel free to contact us at 225-765-2301, or email us at info@lslbc.louisiana.gov.
