SWIMMING POOL LICENSING REQUIREMENTS

BIDDING AND PERFORMING RESIDENTIAL SWIMMING POOL CONSTRUCTION AND REPAIRS

This bulletin is a reminder of the requirements covering construction and repair of residential swimming pools. Only contractors holding one or more of the license classifications below are legally eligible to bid, contract, build or repair swimming pools for homes, when the pool contract, including the cost of all labor and materials, exceeds \$7,500.

Commercial contractor's license with the following classification(s):

- Building Construction and/or
- Swimming Pools and/or
- Swimming Pools, Water Features and Fountains

Residential contractor's license with the following classification:

- Residential Swimming Pools

Licensed Residential Building Contractors may bid on or sign contracts to build or repair residential swimming pools for homeowners, but must use a subcontractor holding a license with one or more of the classifications listed above to build such swimming pools if they themselves do not have one of these classifications.

Home Improvement Registrants are **not eligible** under the law to bid, contract, build, or repair swimming pools.

If you have any questions regarding this matter, please feel free to contact us at (225) 765-2301, or e-mail us at info@lslbc.louisiana.gov.
