Soft Abrasive Cleaning, Janitorial Services, and Household Waste Removal

## Classification Description:

Refers to the routine cleanup and maintenance of buildings including wiping, mopping, vacuuming, rotary polishing, shining, scraping, sweeping, and the removal of household waste (janitorial work); Janitorial work does not require a state license; however this license is available for these types of jobs when a license is required by an owner/awarding authority for a project. This classification also requires a license for scopes of work of \$50,000 or more which include the pickup or removal of construction debris such as wood pieces, nails, shingles, masonry, flooring, drywall, etc. and to the cleaning of surfaces of tanks, etc. using only soft abrasives (i.e., made from materials ranked below 4 on the Mohs Hardness Scale).
