Louisiana State Licensing Board for Contractors

The logo for the Louisiana State Licensing Board for Contractors (LSLBC) features the acronym "LSLBC" in white, bold, sans-serif capital letters. The text is centered within a dark blue rounded rectangle. To the right of the rectangle is a thin, vertical dark blue line.

Mold Remediation

Classification Description

"Mold remediation" means the "removal, cleaning, sanitizing, demolition, or other treatment, including preventive activities, of mold or mold-contaminated matter that was not purposely grown at that location".

Introduction

Welcome. If you are applying for a Mold Remediation License, we are happy to assist you in every way possible.

The first step in obtaining a Mold Remediation contractor license from the Board is to complete a Mold Remediation application, found on our website at: <http://www.lslbc.louisiana.gov/mold-remediation/>. Be sure to submit the application with the requested documents and fees explained on the application form.

The Qualifying Party candidate must have twenty-four hours of training in mold remediation and basic mold assessment. A list of approved Mold Remediation Training Providers and the courses they offer is available at: <http://www.lslbc.louisiana.gov/mold-remediation-training-providers/>.

**NO TEST IS
REQUIRED FOR
ANY MOLD
REMEDICATION
COURSE**

Business and Law is an open book online learning module that you will take from your own computer if you are not already a qualifying party for Business and Law. Information on how to log into the [LSLBC interactive web portal](#) to take the Business and Law course will be emailed to the Qualifying Party at the time of approval.
